Monday, 12th September 2022

Dear Comber Grove Families,

Jeans for Genes 2022

Comber Grove Primary School will be taking part in this year's **Jeans for Genes Day** on **Friday, 16th September 2022**.

1 in 25 children has a genetic disorder that makes their life very difficult. That is almost equivalent to one child in every class.

By wearing our denim and donating, we have the opportunity to help change the lives of these children.

All children and staff are invited to wear their jeans or other denim clothes on Friday. You do not have to wear school uniform with your denim.

We would like everyone to take part so please encourage your child to come into school on the day wearing their denim and make a voluntary suggested £1 donation.

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition.

Please visit <https://www.jeansforgenes.org/> for more information and to view these films.

Yours sincerely,

L.Black

Mr Lorrám Black

Interim Headteacher
