Spring Term Parent's Day- Friday, 24th March 2023

Dear Comber Grove families,

Our Parent's Day is an excellent opportunity to spend time together as teachers and parents to celebrate and discuss your child's learning and development and offer you the most up to date information on your child and their learning.

These meetings will be taking place in person **on Friday, 24th March 2023 from 9am to 4:30pm.**

Please note, this is not a normal school day and your child will need to attend their parent teacher meeting with you in order to be marked present for the day.

Your 15-minute appointment is a chance for you to discuss your child's progress since the beginning of the Autumn Term, next steps in learning and to raise any concerns or observations with your child's teacher. We intend the day to be engaging so you can understand the experience your child has at Comber Grove.

Once you have added your name to the booking form, your child's class teacher will allocate you an appointment and you will then be sent a confirmation invitation.

Our thanks in advance for your patience during the day as teachers strive to 'stick to time'. Please can we ask that if during the meeting you find you need more time to discuss your child, rather than overrun, we are happy to arrange an additional appointment for you.

Every effort will be made to meet with you within your preferred time slot however; we do have a number of parents to see. Please return your completed slip to your child's class teacher as soon as possible.

Do not forget that you and your child need to attend on the day otherwise your child will be marked as absent. Come and support your child and the school! We want you to be more involved.

Thanking you once again for your ongoing support.

Yours sincerely,

Mr Loram Black
(Headteacher)
