Friday, 17th March 2023

Dear Comber Grove families,

Ramadan Mubarak

Many of our families will be observing Ramadan for the next few weeks. As a school we fully support all religions and beliefs and look forward to being a small part of all the different faiths around us.

If your child has reached the age where they are expected to fast, and/ or you wish for them to start joining in part or all of the fasting within school hours please can you return the permission slip below, unless you have already written to inform us. It is important for us to know so that we are able to understand and ensure they are coping well (especially in warmer weather).

It is vital that while your child is in school they are allowed to sip water, if they feel the effects of the weather and/or physical exertion, as they may have a very active day at school. If this is their first or second time of fasting, some children may find it difficult to continue the school day and learn to maximum capacity if they are dehydrated.

If there are any concerns regarding this, please do not hesitate to contact me in the first instance via email: office@combergrove.southwark.sch.uk

Thank you for your continued co-operation and support.

Yours sincerely,

Mr Lorrām Black
(Headteacher)
