

Comber Grove Primary School

Headteacher: Mr Lorrain Black
Deputy Headteacher: Ms Joanne Fielding
Assistant Headteacher: Miss Saunders
School Business Manager: Mrs Susan Roberts

Monday, 04th September 2023

Dear Comber Grove families,

RE: RAAC (Reinforced Autoclaved Aerated Concrete)

You may be aware from media coverage that the government has asked some schools to close or partially close due to the presence of Reinforced Autoclaved Aerated Concrete (RAAC) in their school buildings. We understand that this is an unsettling news story and that it may naturally have led you to wonder about the safety of our school building.

Our school building DOES NOT contain RAAC and is fully safe to open.

This was confirmed in 2023 after the government asked all schools to check their buildings for RAAC in the last few years.

I hope that this provides reassurance, and we look forward to welcoming your child to our safe and secure learning environment on **Wednesday, 6th September 2023.**

Kind regards,

Mr Lorrain Black
Headteacher
