Our Vision

Our **vision** is to equip our pupils for a successful future academically, creatively and emotionally. Our children are happy and friendly seeing their school as a safe and nurturing place to learn.

Our Values

Community- we are a community of pupils, parents and staff. We work together and communicate well to push for the absolute best in everything we do.

Pride- we show pride in who we are, pride in where we came from and pride in where we are going. We show pride in the being the best we can be.

Empathy- we learn how to understand the experiences and feelings of others so that we can work together as a community with kindness and respect.

Happiness- when we are happy we can learn well. We promote well-being for all and value safety and welfare before anything else.

Individuality- Everyone is unique and we embrace and develop the differences which makes us, us.

Creativity- we believe in children developing their creative skills in art, drama music and physical education.

Drop off arrangements:

- All gates open at **8:40am**. Children and parents/carers should enter through these gates.
- Parents/carers should accompany children onto the playground and children will proceed directly to their class lines.

*Please note that children who arrive after **9:00am** should enter via the school office and will be marked as late.*

Collection arrangements:

- Children in Years 1-6 should be collected at **3:15pm**. School gates will open at **3:10pm**.
- Parents/carers are asked to collect their children and promptly leave the school premises.

We respectfully suggest that parents/carers are not on mobile phones when they drop off and collect their children. This is a great time to engage with your child and enquire about their day.

School Day

Play Time

Children in Years 1-2 will have playtime at 10:15 – 10:30

Children in Years 1-3 will have playtime at 14:00 – 14:15

Children in Years 3-6 will have playtime at 10:40 – 11:00

Lunch Time

- Children in years 1-2 will have lunch at 11:30 – 12:30
- Children in years 3-6 will have lunch at 12:30 – 13:30

Playtimes and lunchtimes have been arranged to allow for efficiency in the playground and dining hall.

Home Reading

- Children will be given home-school reading books in order to support them with their progress in reading. These will be checked every Wednesday.
- Reading with and to your child at home is the best way to ensure that they make progress in this vital skill.
- Children will be allowed access to the library to choose books which you may want to read together.
- There is more support available on the school website to support reading at home.

Your support is greatly appreciated.

Reasons to read every day:

The relationship between time spent reading and reading ability is reciprocal: the best readers read the most, and those that read the most improve their reading skills more quickly (Cunningham and Stanovich, 1997).

Reading enjoyment has been reported as more important for children's educational success than their family's socio-economic status (OECD, 2002).

Parents and the home environment are essential to the early teaching of reading and fostering a love of reading; children are more likely to continue to be readers in homes where books and reading are valued (Clark and Rumbold, 2006).

Homework

- Children will be given homework in order to support them with their learning. Homework will be given out every Friday and should be returned the following Thursday.
- Homework will be set on Class DoJo. If you require paper copies just ask.
- Homework is not compulsory, but we would like to encourage children to complete homework tasks as it promotes independent learning skills and positively impacts on progress.

Your support is greatly appreciated.

On-Line Learning

Your child will have access to Learning on Times Table Rock Stars.

Learning with Parents motivates and empowers families to have enjoyable Maths learning experiences together. It allows children to consolidate their learning with fun activities which can be completed with items available at home. Children will be able to earn certificates for completing activities.

Times Table Rock Stars will support your child in learning their times tables and associated division facts as well providing them with an opportunity to create their own avatar and earn certificates as they progress.

Please Remember

- **Water Bottles:** Every child must bring in a water bottle, clearly labelled with their name and class.
- **Shoes:** If your child is not able to tie their own shoelaces, we ask that parents ensure they wear Velcro shoes.
- **Hair:** Children's hair that is longer than shoulder length must be tied up.
- **Bags:** Children should bring their own school bags that can fit their personal belongings including jumpers and water bottles.
- **Earrings:** For health and safety reasons, children should **not** wear hooped or dangly earrings. Studs are acceptable.
- **Watches:** Smartwatches are not permitted in school.

Ways Parents and Carers can Help

- Encourage children to write regularly including: cards, lists, letters, stories, postcards, fact files. Celebrate clear, cursive handwriting.
- Read with your child as often as you can and ask them questions so that they can interrogate the text. **Encourage a love of reading!**
- Support your child with the weekly homework tasks.
- Visit useful websites such as:
<http://www.primaryresources.co.uk/>
<https://www.phonicsplay.co.uk/>

- Use the local library.

PE Days

Mae Jemison Class

PE will take place every Monday and Wednesday.

We are delighted to inform you that **Shea Aaron** a PE Sports Coach from Teachsport Southwark, will continue to deliver PE sessions.

PE Uniform

Please make sure that your child is wearing the correct PE uniform. This includes:

White t-shirt

Navy blue or black shorts or tracksuit bottoms

Suitable trainers or plimsolls.

PE Lessons:

It is best that children come to school dressed in their full PE kit.

Children should not wear cycling shorts to school for PE lessons.

High standards of behaviour:

The Governors strongly believe that high standards of behaviour lie at the heart of a successful school. Good teaching and learning promote good behaviour and good behaviour promotes effective learning. Children have the right to learn and to achieve their full potential in all aspects of their lives, and staff have the right to teach. Governors also believe that the expectation of high standards of behaviour which are required during the school day can have a positive effect on the life of young people outside school in encouraging them to become successful citizens.

We continue to use Zones of Regulation across the school as well as providing and encouraging the use of reflection boxes in each classroom. Children take part in regular brain breaks and mindfulness sessions.

The school has a behaviour policy which can be found on our school website.
