Dear Comber Grove families,

As I write to you today and as 2023 draws to an end; my heart is filled with both gratitude and sadness.

Being a part of the Comber Grove family is a fulfilling journey, which is filled with wonderful memories and meaningful connections. Your **unwavering support** shown during the recent consultation, **kindness**, and the **vibrant spirit** of this community makes my time here truly special.

I want to express my gratitude for allowing me the honour to be a part of your children's lives and your lives. To witness the growth and achievements of your children and to contribute to the fabric of this exceptional community is a privilege. The children of Comber Grove hold a special place in my heart, their laughter echoing in the corridors, their curiosity a constant source of inspiration. They are not just pupils; they are bright stars and it is a true joy to watch them shine.

I am also grateful for the dedication from all staff. From the school Governing Body, office staff, premises staff and support staff to teaching staff and our catering team, each member, working hard to foster an environment of learning and growth, not only developing our children's learning but nurturing their character and spirit.
