Dear Comber Grove Primary School parents and carers,

Meeting on Thursday 8th February 2024 9am at Comber Grove Primary School

Thank you for your petition dated 08.12.2024 your letters and representations from your children.

I am very sorry to hear that you were so unhappy with the consultation process on the future of Comber Grove.

I would like the opportunity to meet with you at the school so that I can listen further to your views and share information about the about the next steps in the process to consider the future of the school. .

I will be joined by the Alasdair Smith our Director of Children's Services and his colleague Richard Hunter. We are keen to make sure that that further consultation is clear and takes into consideration your views.

At the meeting I will provide information in several languages about why the school has undertaken a consultation, and what the Council will be doing to make a decision about the school's future, as well as support you going forward.

I hope that meeting at the school will make attending easier for you and that you will take the opportunity to share your views.

I look forward to meeting with you on the 8th February.

Yours sincerely,

Cllr Jasmine Ali
Cabinet Member for Children, Schools and Adult Care.
